Insights of the Indian Salt Industry

INDIA IS THE WORLD'S THIRD LARGEST SALT PRODUCER AFTER CHINA AND THE USA

- India has seen remarkable growth in its salt industry over 60 years. India is now self-sufficient and even exports surplus salt.
- There are 11,799 salt manufacturers in the country, covering 6.09 lakh acres.
- 87.6% of these are small producers, 6.6% medium scale, and 5.8% large scale.
- The average annual production of salt is 215.80 lakh tonnes with a peak at 240 lakh tonnes in 2009-10.
- Gujarat, Tamil Nadu, and Rajasthan lead in salt production, contributing to 96% of the total.
- Of the total production, 62% is by large producers, 28% by small scale and the rest by medium scale.
- For consumption, 59 lakh tonnes go for human use and 107 lakh tonnes for industries.
- Transportation: 60% of salt for human use is by rail, 40% by road; for industries, 88% is by road, 10% by rail, and 2% by sea.
- India exports an average of 35 lakh tonnes of salt, with a record 38 lakh tonnes in 2011-12, driven by demand from China.
- Major salt importers include China, Japan, Bangladesh, Indonesia, both Koreas, Malaysia, UAE, Vietnam and Qatar.
- Universal Salt Iodisation combats Iodine Deficiency Disorders. The country produces 62 lakh tonnes of iodised salt, nearly meeting the 60.5 lakh tonnes required for the population.
- The salt industry is labor-intensive, employing around 1.11 lakh workers daily, with welfare schemes in place for their betterment.

ABOUT OUR COMPANY

Goyal Salt Limited was incorporated in the year 2010 with the name "Goyal Salt Pvt. Ltd.", one of the largest Manufacturers and Dealers in all varieties of Sodium Chloride (NaCl).

We ensure that our salt meets the highest standards for both industrial applications and human consumption. Our management consist of highly qualified professionals in chemical, mechanical, technical and commercial fields. Our team of professionals is dedicated to maintain high quality standards consistently and fulfils the sodium chloride requirements for various industries including chemical, dye, textiles, detergent & soap, cattle feed, leather, power generation, oil & gas and food Industries. Our products are accepted and appreciated from many decades for their high quality standards.

We have installed and updated our plant with the latest state of art, technology and Infrastructure necessary for salt refining. We have adequate internal quality checks to ensure best quality of product delivered to our valuable customers. We have a huge range of salt which enables us to cater a wide range of clients. We are known in the industry for customized quality in various industries applications. The company has extensive experience in salt manufacturing and marketing which contributes to steady growth in business.

History Behind...

Goyal Salt Limited (formerly known as Goyal Salt Pvt. Ltd.) situated on the land of Nawa City near Sambhar Lake (India's largest inland salt water lake), Rajasthan. We are the leading manufacturers and supplier of wide range of salts i.e., Triple Refined Free Flow Iodised Salt, Triple Refined Free Flow Industrial Salt, Double fortified Salt (Iron Plus Iodine) and many other types of industrial salt. The group was founded by First Generation Entrepreneur Mr. Kunj Bihari Goyal Ji in the year 1985. At that time, he started North India's first Iodised Salt plant under the name of "M/s Goyal Iodised Salt Works". He came to Nawa with a vision and dream in his eyes to set up a large Salt Industry.

As Iodine is essential mineral for human body. Seeing the necessity of Iodine, he started Iodisation and packing iodised salt in loose 70-100 kg packing. Gradually he started packing salt in small packings viz 25 kg & 50 kg.

In the year 2005, Second Generation Entrepreneur Mr. Rajesh Goyal and Mr. Pramesh Goyal joined the business with new ideas and added strength to the Company. In the year 2009, they established Rajasthan's one of the largest Salt Washery.

In the year, 2010, Mr. Lokesh Goyal also joined the family business under the guidance of Mr. K B Goyal Ji and his brothers. The foundation of M/s Goyal Salt Pvt. Ltd. was set up and Triple Refined Free Flow Salt refinery was started with commercial production in 2011. In our endurance to further improve the quality of salt, our R&D team saw that there was a scope in minimizing the moisture content of the salt and making the salt particles more homogeneous which ensures better flowability of

salt. Thus, GSPL was set up as a full-fledged salt refinery with advanced technology and a capacity of 90000 MT of refined salt Per Annum. We reached our 100 % capacity in the same year and found that the demand is exceeding supplies. Thus, in 2015 we increased the production capacity to 250000 MT of refined salt per annum.

Salt is low value, high volume commodity where the logistics play a very important role. Due to wide acceptance of our quality and name, we were flooded with demand from various corners of India. In order to cater these demands and to sustain cost effectiveness, it was necessary for the group to be market centric. Hence, in the year 2023, we acquired 12 acres of industrial land in Gandhi Dham, Gujarat with a vision to set up India's one of largest salt refinery. Our vision is not only to cater Indian market but to explore the potential in International Market which is more feasible from Gandhi Dham, as the port cities of Kandla and Mundra are nearest.

The Promoters has a vast experience of approx. 38 years in salt industry, they have seen salt industry very closely. Backward integration for any business is very fruitful, it ensures the stability and performance of the Company. Promoters of GSL has salt works (Karkhanas) spread in the area of approx. 500 bighas which ensures 30-35% of raw salt requirement of the Company.

In 2016, Promoters of GSL entered in a new venture namely M/s Shree Shakambhar Chemfood Industries, Santhalpur, Gujarat, with a capacity of 350000 MT per annum of refined salt.

In 2023, Promoters of GSL entered into another salt refinery venture at Phalodji, Rajasthan with a capacity of 1.5 Lacs MT per annum.

The Company operates a refinery complex situated in Nawa City, spread over 1.45 hectares, dedicated to salt refining, raw salt storage, and refined salt packaging.

UNIT 1

Capacity 2,50,000 MTPA

Used for Refined Free Flow Iodized, Refined Free Flow Industrial and Double Fortified Salt

UNIT 2

Capacity 60,000 MTPA

Used for Refined Half Dry Salt

Varieties

Refined Free Flow Iodized Salt

Refined Free Flow Iodized salt is the edible that we consume on a daily basis. This salt comes from the clean water underneath Sambhar Lake in Rajasthan. After collecting it, the salt is cleaned and given iodine. It doesn't have any harmful chemicals, making it pure and high-quality for customers.

Goyal Salt

Idea Salt

Fortuner Salt

Health Care Salt

Double Fortified Salt (DFS)

DFS has both iodine and iron. It uses potassium iodate for iodine and ferrous fumarate for iron, as these are the best for stability and taste. The World Health Organization introduced DFS to help combat anemia. This salt, with added Ferrous Fumarate, meets our daily needs for iodine and iron

Medi Plus Salt

Refined Free Flow Industrial Salt

This is Industrial salt used in soap, textiles, glass, plastics, and chemicals. It's used in making items like paper, tires, and brass, and in certain chemical processes. Salt also cleans gas/oil wells and melts ice. Depending on its purpose, industries buy it in large quantities with different purity levels.

The Directors of your Company with immense pleasure, presenting the **14th Annual Report** on the business and operation of the company together with Audited Financial Statements of Accounts and the Auditors Report of your Company for the Financial Year ended on 31st March, 2024.

1. FINANCIAL HIGHLIGHTS

The summarised performance of the Company for the financial year 2023-24 is as under:

(Amount in Lakhs)

Particulars	Current Yr. 2023-24	Previous Yr. 2022-23
Revenue from operations	11,774.55	11,764.18
Other Income	632.96	6.49
Profit for the period (Before Financial Expenses, Depreciation and Tax)	1378.83	679.81
Depreciation	102.26	88.57
Financial Expenses	71.44	106.49
Profit before Tax	1,205.13	484.75
Provision for Taxation including deferred tax	259.81	131.00
Profit after Tax	945.32	353.75
Earnings Per Share (Basic)	6.15	3.30
Earnings Per Share (Diluted)	6.15	3.30

2. WORKING AND FUTURE PROSPECTS

Increasing climate variations in recent years have shortened the salt production season and are forcing this large for unorganised sector to increase production in a limited time period. "Salt is not produced in factory sheds. Most of the production happens near the coast, so global warming is affecting industry worldwide. In India, average production has come down from 30 million tonnes (MT) from 2016 to 27-28 MT to 2022. The Financial Year 2023-24 posed a very challenging business environment for the business of the company.

Your company was able to achieve marginal growth at operational front and accordingly registered sales turnover of Rs. 11,774.55 lakhs as compared to Rs. 11,764.18 lakhs in the previous year. However, with the substantial increase in other income, your Company posted a remarkable profit after tax of Rs. 945.32 lakhs as against Rs. 353.75 lakhs in the previous year. In the sluggish business environment, this performance achieved by your Company with the foresightedness and effective strategic planning of your trusted Directors, should be treated as more than satisfactory.

During the year, your Company came up with the Initial Public Offering (IPO) and got listed on NSE Emerge platform and was able to successfully secure the second highest subscription in Rajasthan.

Your company is aiming to become a dominant player in the salt Industry by foraying in the B2C sales. The company has recently hired famous Bollywood actress Ms. Karisma Kapoor as its Brand Ambassador to promote its brand and wants to enter into retailing of edible salts in smaller packing for daily household consumption. The company also wants to export its salts to overseas market in big way.

At present your Company's Salt Refineries and Washery at Nawa, Rajasthan has production capacity of 900 MT per day which was not sufficient to meet the retail and export market demands. Hence in order to increase the production capacity, your Company set up another refinery of 1200 MT in the State of Gujarat near Gandhi Dham. With this expansion, our future production capacity is likely to be increased to 2100 MT per day. With this enhanced capacity we will be one of the largest players in Salt industry in India and will be able to cater the retail demand and ever-growing export market demand.

Further, with refineries in both the locations where raw salts is produced in India namely Rajasthan and Gujarat, your company will also be able to tap the Southern and Central India which at present are untouched areas due to high transportation cost. The company aims to sell the major production of Gujrat refinery in small packing of 1kg, ½ Kg, 200 gms, 50 gms and 10 gms in the form of table salts etc.

3. DIVIDEND

To strengthen the financial position of the Company and In view of requirements of the funds for working capital your directors do not recommend declaring any dividend for the financial year 2023-24.

4. TRANSFER OF AMOUNTS TO INVESTOR EDUCATION AND PROTECTION FUND

The objective of this report is to convey the Management's perspective on the external environment and our industry, as well as strategy, operating and financial performance, material developments in human resources and industrial relations, risks and opportunities in the Company during the FY 2023-24. The Company's financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') complying with the requirements of the Companies Act, 2013, as amended and regulations issued by the Securities and Exchange Board of India ('SEBI') from time to time.

COMPANY OVERVIEW

Goyal Salt Limited (Formerly known as Goyal Iodised Salt Works and Goyal Salt Pvt. Ltd.) situated on the land of Nawa City near Sambhar Lake (India's largest Inland Salt water lake), Rajasthan. We are the leading Manufacturers and Supplier of wide range of Salt i.e., Triple Refined Free Flow Iodised Salt, Triple Refined Free Flow Industrial Salt, Double fortified Salt (Iron Plus Iodine) and many other types of industrial salts. The Company is having refining unit at Khasra No 546, Mohanpura Bye-pass, Near Biyani Petrol Pump, Nawa city, Dist: Nagaur, Rajasthan and Company is in process of installing another refining unit at Khasra No. 416, Village: Chirai Moti, Taluka: Bhachau, District: Kacchh, in the state of Gujarat and the said project is under installation which is expected to be completed in coming Six-Nine Months.

Further, the Company came up with a historical IPO on 11th October, 2023. It was like a **"Roller Coaster Ride"** throughout this amazing journey. From planning to execution, from converting the company private to public, from appointing underwriter to executing brand campaign, from filing DRHP to launching the IPO it was totally a different extravaganza.

GLOBAL ECONOMY OVERVIEW

Global Salt Market size was valued at USD 14.16 billion in 2019 and is poised to grow from USD 14.61 billion in 2023 to USD 19.4 billion by 2031, growing at a CAGR of 3.2% in the forecast period (2024-2031).

Salt is consumed by every individual in the world in some form regularly. According to the researchers of Tufts University, an average of 3.95 grams of salt is consumed per person per day by every adult on the planet. It is one of the most expensive minerals in the world and a vital component of human diet.

It is an important inorganic chemical having various applications across different industries such as chemical processing, food processing, and water treatment among others. The increasing application of salt in the chemical production is projected to boost the growth of the salt market, over the forecast period.

The Global Salt Market is segmented based on type, application, source, and region. Based on Type, Salt Market is categorized into Rock Salt, Vacuum Salt and Sea Salt. Based on Application, Salt Market is categorized into Chemical Processing, De-Icing, Water Treatment, Oil & Gas, Food Processing, and Agriculture. Based on source, the Salt Market is segmented into Brine and salt mines. Based on region, Salt Market is categorized into North America, Europe, Asia Pacific, The Middle East and Africa, and Latin America.

INDIAN ECONOMY OVERVIEW

Indian Salt Industry is going global. Salt production of India is around 18 to 20 million tons per annum and India is the third largest salt manufacturer of the World, after China & USA. The Demand of the Indian salt is increasing day-to-day not only in Indian households but also with the growth of industrialization in India in the Industrial Sector.

Though salt was considered as "God's gift" in ancient times and used for diplomatic purposes, in modern days it has more than 14,000 uses. India occupies the third place in the production of salt by producing 8.9 per cent of the total world production being cultivated in 1.45 lakh hectares. Gujarat, Rajasthan and Tamilnadu are the top-3 states in which the yield and labour productivity were found high among the salt producing states in India. In 2013-14, 59.61 lakh MT of salt was exported which accounts for Rs.844.4 crore. In spite of these merits, much research was not directed towards the analysis of labour utilisation, which is declining for the past 5 years, yield of the cultivated area and productivity of labour. The research so far conducted particularly threw light on the socio-economic conditions of the salt workers, the environment in which they had been working, the health problems they are prone to and designing the programmes for empowering the women salt workers. The authors have not paid sufficient attention to examine the trends in production, consumption, distribution and

exports and imports of salt. Productivity analysis of salt industry also did not receive much attention of the researchers. Hence, the present paper makes a modest attempt to analyse all these trends and to provide an integrated view of the salt industry in India. The paper is concluded by offering some suggestions to improve the yield and productivity of labourers engaged in salt industry.

INDUSTRY OVERVIEW

Salt is a crucial element of life, is manufactured as a seasoning for human consumption as well as used in chemical industries. The most prominent use for salt is as a feedstock for the production of industrial chemicals. The worldwide market for sea salt production was valued at over 18 billion U.S. dollars in 2022, with 290 million metric tons of salt produced that year. China, India, and the United States top three countries for salt production and altogether produced a combined total of over 151 million metric tons of salt in 2022.

USES OF SALT

A. Human Consumption

- It Flavors food and is used as a binder and stabilizer
- It maintains the fluid balance in the body
- Salt acts as a preservative by reducing the availability of water in foods
- The human body requires a small amount of sodium to conduct nerve impulses, contract and relax muscles and maintain the proper balance
- Salt is important for hydration energy and nerve transmission

B. Industrial Consumption

- For De-icing of roads, Oil & Gas Industry, Energy Industry, Chemical Industry
- Chloralkali Industry or Electrolysis Metal Industry Textile Industry, Rubber Industry, Pharmaceutical Industry, Soap & Washing Powder Industry, Pigment Industry etc

Moreover, **Potential for the Growth of Salt Industry:**

- India has very long coast line and out of that Gujarat Coast line is of 1600 Kms
- In Gujarat in addition to existing salt industry lot of Land available along the side of coast for developing more salt works.
- Climatic conditions are suitable for salt industry.
- Easy Availability of skilled labours
- Good Administration of our Govt. and their Corporation.
- Our low cost of production
- Government support for critical infrastructure facilities.
- Minor Ports have loading capacity 5000 tons /day to 20000 tons /day in mid-stream loading where as big port like Kandla have achieved the av. rate of loading of 25000 tons / day. We have a big advantage that ships of the capacity from 5000 tons to 100,000 tons could be loaded at our ports. There is potential for developing more ports as per requirement. In south India there is also a big port, Tuticorin close to salt manufacturing area.
- Now only 20% industries have gone for mechanization and modernization, 50% from balance can also go immediately.

Average yield of salt works is only 100 tons per hectare. This can be increased to 300 tons per annum by adopting modernization. India has very long coast line and out of that Gujarat.

With its expanding market value and enduring relevance, the sector stands poised to shape economies and industries worldwide for years to come.

Not this, our profit after taxes went up a lot, by a huge 167.23 % during this time. This shows that we're really focused on making sure we keep making good profits.

In sum, our journey is a testament to resilience, innovation, and an unwavering commitment to progress. The numerical data weaved into our narrative paints a picture of consistent growth, with each year marking another stride forward on our path of prosperity.

OUTLOOK

Goyal Salt Limited at present is engaged in the business of refining of edible salts and Industrial salts on B2B and wholesale basis. The entire production of the Goyal Salt Limited is refined at two refineries situated at Nawa in Rajasthan and is committed for B2B and wholesale sales.

The company is aiming to become a dominant player in the salt Industry by foraying in the B2C sales. The company has recently hired famous Bollywood actress Ms. Karishma Kapoor as its Brand Ambassador to promote its brand and wants to enter into retailing of edible salts in smaller packing for daily household consumption. The company also wants to export its salts to overseas market in big way.

At present our Salt Refineries and Washery at Nawa, Rajasthan has production capacity of 900 MT per day which is not sufficient to meet the retail and export market demands. Hence, we intend to increase the production capacity by setting up another refinery of 1200 MT in the State of Gujarat near Gandhidham.

*With this expansion, our future production capacity is likely to be increased to **2100 MT** per day. With this enhanced capacity we will be one of the largest players in Salt industry in India and with this enhanced capacity we will be able to cater the retail demand and ever-growing export market demand.*

Moreover, the Company entered into packaging of Rock Salt and Black Salt. The Company also introduced new Packaging of Goyal Premium Salt this year and its target is to explore the whole Tier I Cities.

Further with refineries in both the locations where raw salts is produced in India namely Rajasthan and Gujrat, we will also be able to tap the Southern and Central India which at present we were not catering due to high transportation cost. The company aims to sell the major production of Gujrat refinery in small packing of 1kg, ½ Kg, 200 gms, 50 gms and 10 gms in the form of table salts etc.

Looking ahead, our company's future shines bright with promising prospects. Our steady growth track, as demonstrated by a remarkable 167.23% surge in Profit, sets the stage for continued success. We're ready to take advantage of the growing demand in the market.

We expect our business to grow more and more. We always want to come up with new ideas and use new technology. And we're also dedicated to being ecofriendly and doing things that help the environment. Moreover, our strong balance sheet and efficient operational strategies provide the foundation for future expansion. As we continue to navigate changing landscapes, our focus on quality and customer satisfaction, underscored by our exceptional track record, positions us to embrace emerging opportunities and steer our company towards sustained growth and industry leadership. Our robust business outlook and strategic focus position us well to capitalise on emerging opportunities and drive sustainable growth in the coming years.

HUMAN RESOURCE MANAGEMENT

Our management consist of highly qualified professionals in chemical., mechanical, technical and commercial fields. These professionals are engaged in maintaining high quality norms consistently and cater to customize sodium chloride requirements of Various industries viz

Chemical Industry, Dye Textiles, Detergent & soap, Cattle Field, Leather, Power Generation, Oil & Gas, food Industries and many more. Our products are accepted and appreciated from last many decades for their high-grade quality standards. Human Resource Management (HRM) in our company is full of promise and positive change. As we move forward, HRM will play a pivotal role in shaping our organizational culture, fostering employee engagement, and driving performance. We plan to help our team get better at their jobs by teaching them new skills and training. This will make sure our employees can handle any changes that happen in our business. Our commitment to employee well-being and work life balance will remain unwavering, fostering a positive and supportive workplace that attracts and retains top talent. By aligning HRM strategies with our company's overall goals, we are focused to create a future where our employees thrive, our organization flourishes, and innovation flourishes at every step.

STRENGTH & OPPORTUNITY

The strength and opportunity for our company based on the following factors:

A. INTERNAL ENVIRONMENT

The Internal Environment consists of the following aspects:

I. Marketing Aspect

Marketing is the process of determining, anticipating, creating, and satisfying customer needs for products or services.

II. Financial and Accounting Aspects

Financial condition is often considered as the best measure of the strength or competitive position of the company and the main attraction for investors. Determining the financial strengths and weaknesses of the organization/company is important in formulating an effective strategy.

III. Aspects of Human Resources

Human resources are internal environmental factors in the company that carries out all activities within the company. Companies can work well if they have human resources who have the capability, expertise in competition, and good management.

B. EXTERNAL ENVIRONMENT

The external environment can be said as components that are or come from outside the Company. These components tend to be outside the reach of the Company, meaning that the company cannot intervene on these components. Components are more likely to be needed as something that is given or something that inevitably must be accepted

RISKS & THREATS

While our company enjoys numerous opportunities and strengths, it's essential to be mindful of potential risks and threats that could impact our progress. However, the followings are the risks/threat which our company faces:

- There is no local government policy that provides certainty of standard prices for raw material salt, and there are no incentives for salt industry players.
- The invasion of imported salt with good quality and competitive prices threatens the national salt industry.
- The expansion of salt ponds on a large scale destroys mangrove conservation areas along the coast.
- The government's lack of supervision over the imported salt trade system causes the people's salt absorption capacity to be low and prices uncompetitive

However, by proactively identifying and mitigating these risks, and leveraging our strengths, we can navigate challenges and position our company for resilience and sustainable growth in the face of potential threats.

CONCLUSION

In conclusion, the journey detailed within this report reflects our team's dedication, resilience, and strategic vision. As we forge ahead, delighted by opportunities and fortified against challenges, we remain dedicated in our pursuit of industry leadership and continued success. We extend our heartfelt appreciation to our dedicated workforce, valued stakeholders, and partners for their integral role in our achievements. Together, we stand assured to embrace the future with confidence and enthusiasm, ready to chart new milestones and elevate our company to greater heights.

Financial Statements

Independent Auditor's Report

To the Members of **Goyal Salt Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the financial statements of **GOYAL SALT LIMITED ("the Company")**, which comprise the balance sheet as at 31st March 2024, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters and there are no any key audit matters which need to be reported.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, business responsibility report, corporate governance and shareholders information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.*
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.*
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.*
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.*
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.*

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. *As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.*
2. *As required by Section 143 (3) of the Act, we report that:*
 - a) *We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.*

 - d) *In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.*
 - e) *On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.*
 - f) *With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.*
 - g) *With respect to the other matter to be included in the Auditor's Report under section 197(16) of the Act, as amended, In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. us.*
 - h) *With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:*
 - (i) *The Company does not have any pending litigations which would impact its financial position.*
 - (ii) *The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.*
 - (iii) *There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.*

- (iv) (a) *The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(s), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;*
- (b) *The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(s), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and*
- (c) *Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.*
- (v) *No dividend has been declared or paid during the year by the company.*
- (vi) *Based on our examination which included test checks, the company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same facility did not operate throughout the year for all transactions recorded in the software. Since audit trail facility has not been maintained, the other reporting requirement of tampering and preserving the audit trail is also not complied with.*

Report on Internal Financial Controls with reference to financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of GOYAL SALT LIMITED ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements

in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- 3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.*

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

B. Significant Accounting Policies

1. Basis Of Preparation:

The accompanying financial statements are prepared in compliance with the requirements under section 133 of the Companies Act, 2013("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standard Amendment Rules, 2016) and other Generally Accepted Accounting Principles("GAAP") in India, under the historical cost convention, on the accrual basis of accounting.

All the assets and liabilities have been classified as current or non-current as per Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of activities, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2. Revenue Recognition:

Revenue is recognized only when risks and rewards incidental to ownership are transferred to the customer, it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from operations includes sale of goods and sales during trial run period, adjusted for discounts (net), Revenue is measured at the amount of consideration which the company expects to be entitled to in exchange for transferring distinct goods or services to a customer, excluding amounts collected on behalf of the third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligation and a receivable is recognized when it becomes unconditional.

Interest Income from a Financial Assets is recognized on a time proportion basis using effective interest rate.

Dividend income is recognized when the Company's right to receive the amount has been established.

Export incentive revenues are recognized when the right to receive the credit is established and there is no significant uncertainty regarding the ultimate collection.

Surplus or loss on disposal of property, plants and equipments or Investments is recorded on transfers of title from the Company, and is determined as the difference between the sale price and carrying value of the property, plants and equipment or investments and other incidental expenses.

Claim receivable on account of Insurance is accounted for to the extent the Company is reasonably certain of their ultimate collection.

Revenue from other income is recognized when the payment of that related income is received or credited.

3. Use of Estimates:

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumption that affect the reported amount of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

4. Property, Plant and Equipment:

Property, Plant & Equipment including intangible assets is stated at cost, trade discounts and rebates less accumulated depreciation and accumulated impairment losses, if any. The cost of Tangible Assets comprises its purchase price, borrowing cost and any cost directly attributable to bringing the asset to its working condition for its intended use. Subsequent expenditures related to an item of Tangible Asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Expansion Projects: Cost of property, Plant and Equipment not ready for intended use, as on the balance sheet date, is shown as a "Capital Work-in-Progress". The Capital Work-in-progress is stated at cost. Other Indirect Expenses incurred relating to the project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under "Other Non-Current Assets".

Intangible Assets: Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/depletion. The cost comprises purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

5. Depreciation:

Tangible Assets: Depreciation on Property, Plant and Equipment is provided to the extent of depreciable amount on the Written Down Value (WDV) Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Depreciation on assets acquired/sold during the year is recognized on a pro-rata basis to the statement of profit and loss till the date of acquisition/sale.

6. Investments:

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. Current investments are carried in the financial statements at lower of cost or fair value determined either on an individual investment basis or by category of investment. Long term investments are carried at cost. However, provision for diminutions in value is made to recognize a decline other than temporary in the value of the investments. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

7. Inventories:

Items of inventories are measured at lower of cost and net realizable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. Under cost FIFO method is used to value the inventory. Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost necessary to make the sale.

8. Impairment of Non-Financial Assets-Property, Plant and Equipment and Intangible Assets

The Company assesses at each reporting date as to whether there is any indication that any Property, plant and equipment and Intangible Assets or group of Assets, called Cash Generating Units (CGU) may be impaired. If any indication exists, the recoverable amount of an assets or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and vale in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

9. Borrowing Costs:

Borrowing costs are interest, commitment charges and other costs incurred by an enterprise in connection with Short Term/Long Term borrowings of funds. Borrowing costs that are attributable to the acquisition or construction of the qualifying assets are capitalized as part of the cost of such assets, up to the date the asset is ready for its intended use. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended uses or sale. All other borrowing costs are charged to revenue in the year of incurrence. The amount of borrowing cost capitalized during the year is Nil.

10. Foreign Currency Transactions:

(a) Initial Recognition:

Transaction in foreign currency are accounted for at exchange rate prevailing on the date of the transactions.

(b) Measurement of foreign currency monetary items at Balance Sheet date:

Foreign currency monetary items (other than derivative contracts) as at Balance Sheet date are restated at the year end conversion rate of currency.

(c) Exchange Difference:

Exchange differences arising on settlement of monetary items are recognized as income or expenses in the period in which they arise. Exchange difference arising of foreign currency monetary items as at the yearend being difference between exchange rate prevailing on initial recognition transaction is adjusted in statement of Profit & Loss for the respective year.

11. Taxes on Income:

Tax expense for the year comprising current tax & deferred tax are considered in determining the net profit for the year. Provision for current tax is made on the basis of estimated taxable income for the current accounting year in accordance with the Income Tax Act, 1961. The provision is made for deferred tax for timing difference arising between taxable income & accounting income at currently enacted or substantively enacted tax rates, as the case may be. Deferred tax assets (other than in situation of unabsorbed depreciation and carry forward losses) are recognized only if there is reasonable certainty that they will be realized and are reviewed for the appropriateness of their respective carrying values at each Balance Sheet date. Deferred tax assets, in situation of unabsorbed depreciation and carry forward losses under tax laws are recognized only to the extent that where is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be recognized. Deferred Tax Assets and Deferred Tax Liability are been offset wherever the Company has a legally enforceable right to set off current tax assets against current tax liability and where the Deferred Tax Asset and Deferred Tax Liability related to Income taxes is levied by the same taxation authority.

12. Retirement Benefits:

(A) Short-Term Employee Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

(B) Post-Employment Benefits

Defined Contribution Plan:

The Company has defined Contribution Plans for Post-employment benefits in the form of Provident Fund for employees which are administered by Regional Fund Commissioner. Provident Fund and Employees State Insurance are classified as defined contribution plans as the Company has no further obligation beyond making the contributions. The Company's contribution to Defined Contribution plans is charged to the Statement of Profit and Loss as and when incurred.

Defined Benefit Plan:

Unfunded Plans, the Company has a defined benefit plans for post-employment benefit in the form of Gratuity. Liability for the above defined benefit plan is provided on the basis of valuation, as on the Balance Sheet Date, carried out by an independent actuary.

13. Provisions, Contingent Liabilities and Contingent Assets: (AS-29)

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made.

Contingent Liabilities is disclosed in Notes to the account for:

- (i) Possible obligations which will be confirmed only by future events not wholly within the control of the company; or
- (ii) Present Obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognized in the financial statement since this may result in the recognition of the income that may never be realized.

14. Segment Reporting:

The Company is primarily engaged in the business of manufacturing of common salt and refining of raw salts procured from sub soil brine for usable as industrial salts and edible salts. Considering the nature of Business and Financial Reporting of the Company, the Company is operating in only one segment. Therefore, Segment reporting is not applicable.

15. Miscellaneous Expenditure:

- (a) Preliminary expenses will be amortized over a period of 5 years to the project.
- (b) Pre-operative Expenses incurred during the construction period are capitalized under the respective assets head as the part of indirect construction cost to the extent the indirect expenses related to the assets.
- (c) Deferred revenue expenditure for which payment has been made or liability has been raised but benefit will arise for subsequent period or periods shall be charged to the statement of profit & loss accrued in equal amount up to five years.

16. IPO Expenses:

Expenses related to IPO under the Companies Act, 2013 have been expensed out of reserves & surplus (Security premium on Shares) of the Company.

17. Cash Flow Statement:

Cash Flow Statements are reported using the method, whereby the Net Profit/(Loss) before tax is adjusted for the effects of the transactions of a Non-Cash nature, any deferrals or accrual of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

18. Cash & Cash Equivalents

Cash and cash equivalents comprise of cash on hand, cast at banks, short term deposits and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

19. **Earning Per Share:**

Basic earnings per share is calculated by dividing the net profit after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the period adjusted for bonus element in equity share.

Diluted earnings per share is computed by dividing the profit/(Loss) after tax attributable to equity shareholders, as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operation. Potential dilutive equity shares are deemed to be converted as at beginning of period, unless they have been issued at a later date. Dilutive potential equity shares are determined independently for each period.

20. **Events after Reporting Date:**

Where events occurring after the Balance Sheet date provide evidence of condition that existed at the end of reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

Note No 20: Accounting Ratios: Forming part of Notes on Accounts

Ratio	As at 31st March 2024	As at 31st March 2023	% Variance
A. Current Ratio (in times)			
Current Assets	3454.23	2187.56	
Current Liabilities	799.53	1275.57	
Current Ratio	4.32	1.71	151.92
Reason for Variance more than 25%: Current ratio improved substantially because company raised funds from Public Offering for working capital among other objects of the IPO, which resulted in improvement of the current ratio.			
B. Debt-Equity Ratio (in times)			
Total Debts (Short term+Long Term)	553.21	920.11	
Shareholders Funds+R&S	4225.34	1620.4	
Debt-Equity Ratio	0.13	0.57	-76.94
Reason for Variance more than 25%: Debt equity improved due to increase in the Equity Shareholders fund on account of initial public offering done by the Company during the year.			
C. Debt-Service Coverage Ratio			
Earnings available for debt service	Not applicable as there no Term Loan during current and previous year		
Interest+Installments			
D. Return on Equity Ratio(in%)			
Net Profit After Tax	945.32	353.75	
Average Share Holder's Funds	2922.87	1421.14	
Return on Equity Ratio (%)	32.34	24.89	29.93
Reason for Variance more than 25%: Net Profit after tax has improved due to short term capital gain of Rs 624.40 Lac (after tax Rs. 517.25) on sale of Current Investments during the year.			
E. Inventory Turnover Ratio (in times)			
Turnover	11774.55	11764.18	
Average Inventory	465.13	485.91	
Inventory Turnover Ratio	25.31	24.21	4.56
Reason for Variance more than 25%: Not Applicable			
F. Trade Receivable turnover Ratio (in times)			
Net Credit Sales	11774.55	11764.18	
Average Receivables	1716.41	1490.71	
Trade Receivable Turnover Ratio	6.86	7.89	-13.07
Reason for Variance more than 25%: Not Applicable			
G. Trade Payable turnover Ratio (in times)			
Credit Purchase	8952.69	9348.71	
Average Payables	236.93	351.89	
	37.79	26.57	42.23
Reason for Variance more than 25%: Trade payable turnover ratio improved during the year because of efficiency of company in paying its suppliers for the goods and services. Availability of working capital through public offering of shares contributed for the improvement of this ratio.			

H. Net Capital Turnover ratio (in times)			
Revenue from operations	11774.55	11764.18	
Net working capital	2654.7	911.99	
Net Capital Turnover Ratio	4.44	12.90	-65.62
Reason for Variance more than 25%: During the year company raised funds from public through IPO for working capital, and retained the profit, as a result net working capital of the company increased, but company could not increase its turnover with the increased working capital, therefore there has been decline in the ratio.			
I. Net Profit Ratio (in %)			
Net Profit after Tax	945.32	353.75	
Revenue from Operations	11774.55	11764.18	
Net Profit Ratio (in %)	8.03	3.01	166.99
Reason for Variance more than 25%: Net Profit after tax has improved due to short term capital gain of Rs624.40 Lac (after tax Rs. 517.25) on sale of Current Investments during the year. If we deduct short term capital gain after tax of Rs. 517.25, net profit after tax would have been Rs. 428.07 Lac giving net profit ratio 3.11%			
J. Return on Capital Employed (in %)			
Earning Before Interest and Tax	1276.57	591.24	
Capital Employed (Shareholders fund+ Long term Borrowings)	4225.34	1620.4	
Return on Capital Employed	30.21	36.49	-17.20
Reason for Variance more than 25%: Not Applicable			
K. Return on Investment (In %)			
Income generated from Invested Funds	624.4	0	
Average Invested Funds	390.125	12.85	
Return on Current Investment	160.05	0.00	
Reason for Variance more than 25%: In the previous year 2022-23, there was no income generated from the invested funds.

15. Members may please note that SEBI vide its Circular No. SEBI/ HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialised form only while processing service requests viz. issue of duplicate securities certificate; claim from an unclaimed suspense account; renewal/exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/ folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4 for the above-mentioned requests and surrender their original securities certificate(s) for processing of service requests to the RTA. The RTA shall thereafter issue a 'Letter of confirmation' in lieu of physical securities certificate(s), to the securities holder/claimant within 30 days of its receipt of such request after removing objections, if any. The 'Letter of Confirmation' shall be valid for a period of 120 days from the date of its issuance, within which the securities holder/claimant shall make a request to the DP for dematerialising the said securities. Form ISR-4 is available on the website of RTA. It may be noted that any service request can be processed only after the folio is KY Compliant.
16. The Securities and Exchange Board of India ("SEBI") has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to the Depository Participants with whom they maintain their demat accounts. Members holding shares in physical form should submit their PAN to the RTA of the Company.
17. In compliance with the provisions of Section 110 of the Companies Act, 2013 and in compliance with the provisions of section 108 of the Companies Act, 2013, and Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company is pleased to provide members the facility to exercise their right to vote at the 14Th Annual General

Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services provided by Bigshare Services Private Limited (RTA).

18. The cut-off date for the purpose of determining the Members eligible for participation in remote e-voting (e-voting from a place other than venue of the AGM) and voting at the AGM is Thursday, 1st August, 2024. Please note that Members can opt for only one mode of voting i.e., either by voting at the meeting or remote e-voting. If Members opt for remote e-voting, then they should not vote at the Meeting and vice versa. However, once an e-vote on a resolution is cast by a Member, such Member is not permitted to change it subsequently or cast the vote again. Members who have cast their vote by remote e-voting prior to the date of the Meeting can attend the Meeting and participate in the Meeting, but shall not be entitled to cast their vote again.

19. Any person, who acquires shares of the Company and becomes a Member of the Company after dispatch of the Notice, holds shares as of the cut-off date i.e. Thursday, 1st August, 2024, may obtain the login ID and password by sending a request at ivote@bigshareonline.com. However, if the Member is already registered with Bigshare for remote e-voting, then he/she can use his/her existing User-ID and password for casting the vote. Only a Member who is entitled to vote shall exercise his/her/its vote through e-voting and any recipient of this Notice who has no voting rights as on the Cut-off Date should treat the same as intimation only.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i. The voting period shall commence at 10.00 a.m. on Monday, 5th August, 2024 and will end at 5.00 p.m. on Wednesday, 7th August 2024. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) i.e. Thursday, 1st August, 2024 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

1. Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

Type of shareholders	Login Method

<p>Individual Shareholders holding securities in Demat mode with CDSL</p>	<ol style="list-style-type: none"> 1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. The Board recommends the Ordinary Resolution at item No. 5 of the Notice for approval by the members, with or without modification.

Item No.6: To Approve Powers of Board u/s 180(1)(a) Of the Companies Act, 2013

In terms of the provisions of Section 180(1)(a) of the Companies Act, 2013, a public company cannot sell, lease or otherwise dispose off the whole or substantially the whole of the undertaking of the company without consent of the Shareholders by way of a special resolution at the general meeting of the company.

Considering the need to avail additional financial assistance, over and above the present financial assistances, from Banks, Financial Institutions, Bodies Corporate, other Entities, Person or Persons, it may be required to further mortgage / charge its properties including newly acquired immoveable properties and / or extend the charge over properties already charged to secure other financial assistance including securing the present facilities sanctioned and being availed. Since the creation of charge / mortgage tantamount to otherwise disposing of the undertakings of the Company, it shall be necessary to pass a special resolution under Section 180(1) (a) of the Companies Act, 2013, under which the company had taken approval of shareholders vide a special resolution. Therefore, it is felt desirable to seek fresh approval of shareholders by way of special resolution.

Therefore, the resolution set out at Item no. 6 is placed for consideration of shareholders and if thought fit to pass as a special resolution with or without modification.

None of the Directors are interested in this resolution except to the extent of value of shares in the Company, held by them.

Item No. 7: To Approve Powers of Board u/s 180(1)(c) Of the Companies Act, 2013

Section 180(1)(c) of the companies Act, 2013, stipulates for approval of borrowing powers of the Board by the members of the Company in its general meeting by special resolution if the borrowings by the board exceeds the aggregate of paid up capital and free reserves of the Company. Now, it is anticipated that the borrowings of the Company may cross the said limit. Therefore, it is proposed that the borrowing powers of the Board of Director's should be increased upto

Rs.100.00 Crores, which requires to be approved by the members in general meeting by way of passing a special resolution.

Hence, Item No. 7 is placed before the members for their consideration and if think fit to be passed as a special Resolution, with or without modification.

None of the Directors are interested in this resolution except to the extent of value of shares in the Company, held by them.

Item No.8: Approval For Making Investment, Giving Guarantee or Issue Securities Etc. Under Section 186 Of the Companies Act, 2013

Considering the growth plans, the Company may require, from time to time, to make investment, provide loan, give guarantee / securities in / to various other bodies corporates and the aggregate value of the same may increase the monetary limit prescribed under section 186 of the Companies Act, 2013. Therefore, it is prudent to get the enabling power of the Board for making investment and providing loans / guarantee / securities etc., duly pre-approved by the shareholders in advance.

Any increase in the limits of investment, giving of guarantee, giving of loan or issuing of securities which exceeds 60% of the aggregate of share capital and free reserves requires approval of the members of the Company by way of special resolution. Hence the above resolution is placed for the consideration of the members of the Company and proposed to be passed as Special Resolution, with or without modification.

None of the Directors are interested in this resolution except to the extent of value of shares in the Company, held by them.
